FRESH AIR FRESH STYLE

FABER
FRANKE'S AIR EXPERT

TAKE CARE OF THE AIR YOU BREATHE

At Faber, we use air technology to improve people's well-being and quality of life. Living with a Faber hood means feeling protected in your home and natural environment through improved air quality.

SELF - START

SELF START

A special sensor switches the hood on as soon as the air temperature reaches 130°F. Faber loves to make cooking easier and more enjoyable!

HOUR 24

24-HOUR

Keeping kitchens fresh and odor free around the clock, the 24-hour feature automatically turns the hood on for 10 minutes every hour.

FILTER ALARM

FILTER ALARM

The filter saturation alarm takes out the guesswork and will warn you when it is time to clean the grease filters or replace charcoal filters.

INTENSIVE
SPEED

INTENSIVE SPEED

With the touch of a button, you can activate maximum extraction power for 10 minutes to quickly and effectively remove any unwanted odors from the kitchen.

PERSONALIZED LIGHTING

Faber Tunable White lighting is a revolutionary way to customize and control the ambiance of your kitchen. Imagine being able to adjust the temperature of your lights to match the natural daylight outside.

Tunable White lighting provides a variety of lighting options to support your kitchen activities by allowing you to customize the lighting to suit your specific needs and preferences. The ability to adjust the color temperature of the lighting allows you to switch between warm and cool tones, depending on your needs.

Warm lighting can create a cozy, inviting atmosphere, perfect for relaxed gatherings or evening meals. Cool lighting can provide a bright energizing space, ideal for tasks that require focus and concentration, such as cooking or meal preparation.

T-SHELF: AN EXTRA TOUCH OF DESIGN

T-SHELF
TSHIS70BK600

Faber T-Shelf - a striking statement piece that seamlessly combines industrial and premium design. Its matte black finish and sleek smoked glass shelves create an open, airy ambiance, to elevate any kitchen space. The dual LED bar offers customizable brightness and color temperature, adding elegance to the workspace while setting the atmosphere. Powered by the advanced Sound Pro blower, it ensures quiet and powerful extraction.

A DESIGN STATEMENT MADE TO LAST

Faber T-Shelf combines premium design with high functionality, offering powerful extraction while serving as a unique home statement piece.

Size Options: Available in 70" Matte Black width.

SPACE
SAVING

EMBRACE SPACE

Three open spacious smoked-glass shelves surrounded by a matte black frame turns the cooking area into a beautiful curated space.

USABILITY

360° USABILITY

Symmetrical design allows for 360° usability, offering effortless access and control.

LED LIGHT
DIMMER

LIGHT DIMMER

The innovative double LED bar lights, equipped with dimmer and tunable functions, allow you to adjust both brightness and color temperature, ensuring a well-lit work space.

INTENSIVE
SPEED

INTENSIVE SPEED

Activate maximum extraction power for 10 minutes to quickly and effectively remove any unwanted odors from the kitchen.

LED LIGHT

The tunable white LED bar offers customizable brightness and color temperature, adding elegance to the workspace while setting the atmosphere.

SEAMLESS
CHIMNEY

SEAMLESS CHIMNEY

The single-piece Seamless Chimney is easier to install, easier to clean and offers a more refined look.

FABER

NEW

GRAZIOSA ISOLA:

EFFORTLESS ELEGANCE

Graziosa Isola - a revolutionary hood that blends cutting-edge connectivity with premium kitchen aesthetics. Featuring a striking matte black finish and minimalist design, its clean lines elevate the overall elegance of your cooking space. The side-flush illumination adds to its sleek appearance, giving it the elegance of a sophisticated chandelier.

INNOVATIVE DESIGN

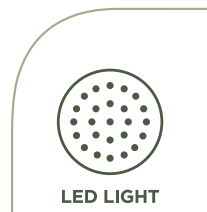

The design conceals grease filters behind a refined perimeter panel, ensuring a clean and polished look, while effectively removing cooking particles and odors.

Size Options: Available in 31" Matte Black width.

FABER CLOUD

The Faber Cloud App provides an innovative and convenient way to control your Graziosa Isola, offering seamless connectivity and advanced features for a smarter cooking experience.

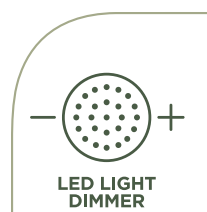

LED LIGHT

The accent LED lights on the side panels allow you to set the perfect lighting for every occasion.

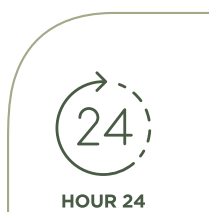

WHISPER-QUIET OPERATION

Sound Pro blower, designed for ultra-quiet performance for a serene cooking environment.

PERFECT LIGHTING

The dimmable LED light positioned on the bottom and the accent LED lights on the side panels allow you to set the perfect lighting for every occasion.

24 HOUR

Keeping kitchens fresh and odor free around the clock, the 24 Hour feature automatically turns the hood on for 10 minutes every hour.

MONITORING SYSTEM

The filter saturation alarm takes out the guesswork and will warn you when it is time to clean the grease filters or replace the charcoal filters.

NEW

DAMA ISOLA: CUTTING EDGE DESIGN AND LED BRILLIANCE

DAMA ISOLA
DAMA S36SSV2

Elevate your kitchen with the Dama Isola, a sleek and modern island hood that perfectly balances style and functionality.

- Whisper Quiet Operation: Enjoy a peaceful cooking experience with our advanced Sound Pro technology.
- Powerful Performance: Experience the perfect fusion of efficiency and power to eliminate even the most persistent cooking odors and steam.
- Size Options: Available in 36" width.

HANDS FREE IN THE KITCHEN

The beauty of cooking is also that you can express yourself freely, without distractions. When you have a Faber range hood with Faber Cloud technology, you can manage the hood remotely with simple and intuitive functions.

ALWAYS CONNECTED

Faber has created an intelligent connection between a smart device and a Faber range hood, through an integrated system that works with Wi-Fi. A simple gesture is all it takes to control the hood from anywhere in the home or when away from home. At the same time, the perfect operation of the hood can be controlled to extract cooking vapors and odors.

Voice activated with Amazon Alexa, Google Home, and Apple's Siri.

PRO HOODS

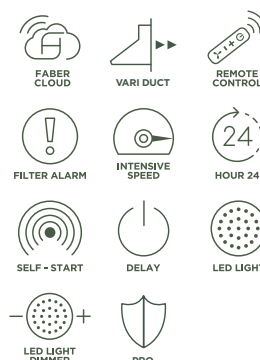

Experience the perfect combination of Faber heritage, iconic design, and cutting-edge performance with the Professional hood range. Engineered to embody the skill and creativity of professional chefs, our Pro hoods boast intelligent features and innovative technology ensuring a robust extraction system that keeps your kitchen air clean and fresh.

BREVA PRO

The perfect blend of beauty and top-level performance, effectively filtering out cooking particles for improved air quality.

- Wi-Fi Enabled: Effortlessly adjust lighting and manage settings from anywhere using your smart device.
- Filter Alarm: Ensures your filter operates at peak performance, helping to maintain a clean cooking environment.
- Size Options: Available in 30", 36" and 48" widths, with height options of 11" or 18".

TIVANO

Tivano's powerful energy-efficient motor delivers quiet yet powerful smoke and odor removal.

- Multi-Speed Control: Tailor your fan speed for optimal air quality with precise adjustments.
- LED Task Lighting: Enjoy excellent visibility across your entire cooking area.
- Size Options: Available in 30" and 36" widths.

STRATUS ISOLA
STRTIS36WHV

STRATUS ISOLA
STRTIS36SSV

CEILING HOODS

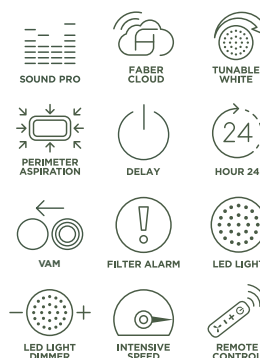

Seamlessly blending into your kitchen, these hoods combine sophisticated aesthetics with exceptional performance. Integrated into the ceiling for a sleek unified appearance, they also feature tunable lighting, allowing you to customize the ambiance to perfectly match your preferences.

STRATUS ISOLA

The built-in design enhances your kitchen with a touch of elegance and sophistication.

- Tunable White Lights: Adjust the color temperature of the lights to create your desired atmosphere.
- W-Fi Enabled: Stay connected with Faber Cloud technology for added convenience.
- Sound Pro Technology: Enjoy a quieter cooking experience with noise reducing technology.
- Size Options: Available in 36" and 48" widths in Stainless Steel or White Glass.

INSERT HOODS

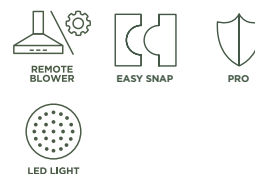

Choose the perfect insert hood for your cooking needs from our extensive range of sizes and features. Hidden within the cabinet or custom liners, these hoods feature powerful blowers and effective odor and smoke control for optimal performance.

INCA PRO PLUS

Inca Pro Plus is an all-in-one pro range hood liner. Designed for custom cabinets, it delivers powerful performance, and exceptional functionality.

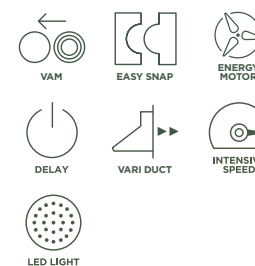

- Easy Snap clip system allows for a quick and easy installation.
- Pro Motor enhances the airflow through the hood, providing a more powerful extraction.
- Size Options: Available in 30", 36", 42", and 48" widths.

INCA HC

The updated Inca HC insert now with VAM technology is perfect for the homeowner who needs a powerful vent hood, but does not want to see a range hood at all.

- Updated advanced controls and LED lighting.
- Size Options: Available in 29", and 35" widths.

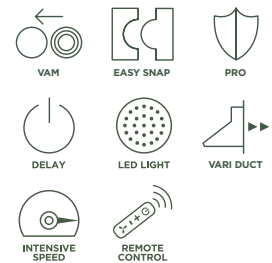

INCA PRO 18
INPL32SS1200

INCA SD

This timeless discreet insert hood is made of stainless steel with two modern LED lights to sufficiently light up the cooking surface below.

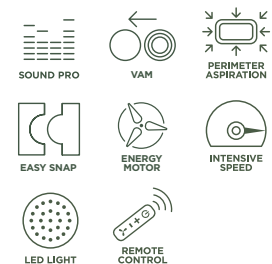

- Intensive Speed designed to deal with strong cooking aromas.
- Size Options: Available in 29", and 35" widths.

INCA LUX

The Inca Lux is equipped with an Energy-Efficient LED Bar and Faber's exclusive Sound Pro technology, making it more discreet than before.

- The Inca Lux is easy to install with the easy snap installation panel attached.
- Size Options: Available in 21", 28" and 35" widths.

SOUND PRO

HUSH, IT'S COOKING TIME!

As kitchens become places for meeting and sharing moments at home, hoods increasingly need to combine high performances with quiet motors. Following in-depth studies and extensive research, Faber was able to develop a solution: Sound Pro.

SOUND PRO
TECHNOLOGY EXCELS
IN LIMITING NOISE.

STILO SUPREMA
STSP30SSV

TURN ON THE HOOD AND SIMPLY FORGET ABOUT IT.

NO VORTEX

Thanks to an innovative design, the new blower significantly reduces turbulence and vortex of the internal air flow.

LESS NOISE

At maximum power, the new technology limits the noise threshold of the hood up to -6db*, or if you prefer, half the noise your ears perceive.

BETTER SOUND

The sound produced, reducing the disturbance caused by high frequencies, becomes deeper and more pleasant.

WALL HOODS

Experience the essence of Franke's Air Expert with Faber, the ultimate solution for controlling cooking odors and enhancing air quality in your kitchen. Elevate your culinary space with our extensive range of wall-style range hood options. The advanced Sound Pro blower on select models is the perfect combination of innovative performance and aesthetics to complement your cooking and design preferences.

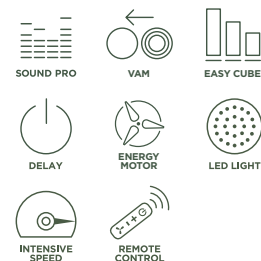

SEAMLESS DESIGN,
PREMIUM FEATURES.

DAMA

The Dama range hood goes beyond its outstanding quiet performance by offering a design that is the epitome of perfection.

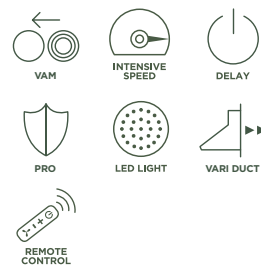

- Easy Cube gets the hood installed just right, simplifying the process for flawless results every time.
- Size Options: Available in 30" and 36" widths.

NOVA PRO

With its Pro Motor this hood is designed to handle the most demanding cooking tasks.

- Intensive Speed activates maximum power extraction for ten minutes.
- Pro Motor increases airflow for maximum extraction power.
- Automatic shutdown delay postpones the motor shutdown to eliminate residual odors.
- Size Options: Available in 30" and 36" widths.

STILO SUPREMA

Create a stunning luxury look with sleek stainless steel and black glass.

- Adjust the color temperature of the lights with Tunable White Lights.
- Wi-Fi enabled with Faber Cloud technology
- Sound Pro noise reducing technology.
- Size Options: Available in 30" and 36" widths.

CLASSICA PLUS

Enjoy versatile cooking with this kitchen helper. Keeping the air fresh for whatever is on the menu.

- Four fan speeds including Intensive Speed mode.
- Energy efficient motor with maximum extraction power.
- Size Options: Available in 30" and 36" widths.
